

**Washington, D.C.** - Congressman David Price (D-NC) was applauded today for his leadership on clean energy solutions in Congress by advocates for the environment.

The Southern Alliance for Clean Energy Action Fund, which strives to make global warming solutions a top priority for our region's elected leaders, released its first Congressional Scorecard today. Price, along with four of his North Carolina colleagues, earned a perfect score for his leadership on clean energy in 2007.
